Hi Madan / Priyanshi / Saritha / Grishma,

Kindly approve the list of MMT/MMC hardware's items shifting from Harman Office to Global Edge-Capgemini Office location.

Same we got the MMA approval from my manager- Ashutosh , MMA is a list of hardware items we are shifting from Harman office to Capgemini office location because we are non-Harman employees working from Capgemini office location, so we need to shift hardware from Harman office to our working location.

Thanks & regards,

Gopi
